

**CREEK TURNPIKE CONSTRUCTION
OKLAHOMA TURNPIKE AUTHORITY
TULSA COUNTY, OKLAHOMA**

CONSTRUCTION COST: \$80M

Poe & Associates, Inc. was selected to be the Resident Engineers and Construction Inspectors for the approximate seven mile corridor of the Creek Turnpike. This project connected Highway 169 to Highway 75 and would eventually be used in conjunction with the Creek West, Broken Arrow South Loop, and Creek East turnpikes to connect the Will Rogers Turnpike to the Turner Turnpike. Poe's Resident Engineers had to prepare monthly reports and attend monthly progress meeting with Oklahoma Turnpike Authority managers detailing construction progress and funding.
