

Creek East Turnpike Extension
Oklahoma Turnpike Authority
Wagoner County, Oklahoma
Poe & Associates, Inc.

Construction Cost: \$70M

Description: Poe & Associates, Inc. was selected to be the Resident Engineer and Construction Inspectors for the four mile corridor of Section Two of the Creek East Turnpike. Five different prime contractors under five different construction contracts completed this section of turnpike construction. Poe Resident Engineers had to prepare monthly reports and attend monthly progress meetings with Oklahoma Turnpike managers detailing construction progress and construction funding.

Project Team: Robert Smith, PE, PLS (Principal-in-Charge)
Jay Cobb, PE (Resident Engineer/Office Engineer)
James Hemphill, PE (Design Engineer)
Larry Snyder (Resident Inspector)
D.W. Lindsey (Resident Inspector)
