

141st Street: Elwood Avenue to Peoria Avenue
Tulsa County
Tulsa, Oklahoma
Poe & Associates, Inc.

Construction Cost: \$2M

Completion: 2010

Description: The 141st Street South project consisted of approximately 5,400 LF of roadway widening, drainage improvements, and a 5,200 LF walking / jogging trail. This project was part of Tulsa County's 4-to-fix program and the trail was designed to meet the requirements of the INCOG Master Trail System.

Project Team: Robert Smith, PE (Principal-in-Charge)
Jay Cobb, PE (Project Manager)
