

**LEWIS AVENUE: 61ST STREET SOUTH TO 75TH STREET SOUTH
CITY OF TULSA
TULSA, OKLAHOMA**

***CONSTRUCTION COST: \$10.9M
COMPLETION: 2011***

The Lewis Avenue project consisted of approximately 6,800 LF of roadway widening, drainage improvements, and 13,500 LF of ADA compliant sidewalks. This project corridor is in a highly developed area of the City of Tulsa and consists of heavy pedestrian traffic for residential, shopping, and leisure activities.
