

**Chisholm Creek Sanitary Sewer Relief Line
N.W. 150th Street to N.W. 115th Street
City of Oklahoma City
Oklahoma City, Oklahoma
Poe & Associates, Inc.**

Construction Cost: \$6M

Completion: 2011

Description: The Chisholm Creek Sanitary Sewer Relief Line project from N.W. 150th to N.W. 115th Streets includes the construction of approximately 7,300 feet of 36-inch and 3,900 feet of 30-inch sanitary Sewer relief line, generally extending from NW 150th Street west of Western Avenue to NW 115th Street east of Pennsylvania Avenue. Also included in the project is the preparation and submittal of an Environmental Information Document (EID), Corps 404 permits and Oklahoma Turnpike Authority permits. Services included survey, design, specifications, bidding documents, and as-built drawings.

Project Team: Richard Grotte, PE (Project Manager)
